SEELL POSTGRADUATE STACKABLE CERTIFICATE

The AIM School of Executive Education and Lifelong Learning (SEELL) exists as the executive development arm of AIM. It links the Institute to the working professionals by providing programs that respond to the needs of both the private and public sectors. SEELL strives to offer leading-edge, differentiated and results-oriented Executive Programs.

SEELL Open Enrollment Executive Programs are designed for individuals or small groups who need leadership or managerial skills development. These public courses are offered on a regular basis throughout the year. Professional networking, peer learning, and cultural exchange form part of the learning experience in these programs.

Open Enrollment Programs are available as Stackable Certificate Courses. Participants have the freedom to choose their own learning paths by selecting any programs they wish to have. These stackable courses give participants the freedom and flexibility to take charge of their learning path, at their own pace, and time.

Each program or course that is completed enables the learner to earn credential that can be stacked in a process toward earning a Postgraduate Certificate, or a Postgraduate Diploma. Participants who accumulate a total of 5 units can earn a Postgraduate Certificate in any area of concentration, or 20 units can earn a Postgraduate Diploma in Management.
