Twelve half-days starting February 16, 2021

CFO Strategic Leadership Development Online Program

Learn How to Shape the Company's Long-term Strategy
and Become Valuable Financial Leaders of the Organization

OVERVIEW

In this period of economic uncertainties, every downturn is daunting. Financial rigor and strategic acumen are invaluable assets that will help new and seasoned CFOs navigate through the turbulent times. CFOs must position themselves as sound business partners to the CEO and the rest of the management team in shaping the company's long-term strategy to achieve profitable growth.

The CFO Strategic Leadership Development Program will provide enhanced tools, techniques, and resources that complement traditional levers in financial leadership. Participants will gain a deeper understanding of valuable corporate approaches to develop strategic thinking, flawlessly execute plans, and manage change with breakthrough solutions. The program will help CFOs see their role from a different perspective, turning themselves into transformative and innovative leaders of organizations.

PROGRAM OBJECTIVES

- Deepen the participants' understanding of corporate strategy, FinTech, business model innovation, continuous improvement, data science, and business analytics
- Develop the participants' strategic thinking, ability to execute plans with excellence, and ability to lead and manage change within the organization
- Practice the "Shift of Mind" framework for understanding complexities by viewing systems as a whole and using the big picture to leverage breakthrough business solutions

WHAT YOU WILL LEARN

- The CFO as the Strategic and Agile Leader
- Systems Thinking as Applied in Business
- Driving Organic Growth Through LEAN Six Sigma
- Design Thinking for Business Model Innovation
- Leverage FinTech as a Competitive Advantage
- Better Decision-making Through Data Science and Business Analytics
- Leading and Managing Change
- Excellence in Execution
- Strategic Prioritization Through One-on-one Coaching

KEY BENEFITS

At the end of the 12 half-days, participants will be able to:

- Expand their strategic leadership skills and increase capacity as a trusted business advisor to the CEO
- Generate operational strategies through continuous improvement and excellence in execution
- Leverage a suite of mental models to identify and drive digital, customer-centric, and profitable sources of business growth
- Think systematically, strategically, and creatively to evaluate options to solve business issues
- Drive a better decision-making process through data science and business analytics
- Appreciate digital opportunities in FinTech

WHO SHOULD ATTEND

The CFO Strategic Leadership Development Program is a must for financial executives responsible for developing and implementing strategy as part of their leadership roles. Participants may include Business Owners, Chief Financial Officers, Finance Managers, Controllers, Accounting Managers, and other executives with strategic and financial responsibilities.
