Startup Management Bootcamp Online Program

A Human-Centric, Comprehensive, and Collaborative Learning Journey
Focused on Redesigning How Startup Entrepreneurs and Leaders Approach
Business Challenges and Opportunities in Today's Unique Environment

OVERVIEW

Whether you are a startup novice or an entrepreneur with some experience, the Startup Management Bootcamp will equip you with the tools and startup thinking necessary to jumpstart and accelerate your entrepreneurial journey.

This holistic and human-centered program will enable active knowledge transfer and creativity among innovation-driven entrepreneurs through mentorship, collaboration, and innovation to help them build and grow their businesses. It will provide the building blocks that will help participants create their own venture from the ground up, including idea generation, business planning, team formation, business validation, pitching to investors, and more.

For sustainable learning and transfer of knowledge, as well as maximum impact, at least two (2) representatives per startup are recommended to join the program.

PROGRAM OBJECTIVES

- Enable Startups to strengthen their understanding of their customers, their business model, and their corporate strategy
- Help and guide the Startups envision and design their reimagined strategic long term goals as well as map their growth (or starting and scaling) strategy
- Prepare the Startup entrepreneurs for their next strategic endeavors by providing them with a holistic tool to manage and grow their Startup stakeholders – employees, customers, and shareholders.

WHAT YOU WILL LEARN

- Driving Self Awareness: What is your Purpose?
- Establishing Desirability and Product Market Fit: Product VS Solution
- Brand's Golden Circle: Your Why-How-What?
- Value Proposition Canvas and Business Model Canvas Integration
- Financial Management
- Business Forecasting and Valuation
- Change Management
- Organizational Development
- Storytelling to Your Stakeholders
- Agile and Lean Startup Methodology

KEY BENEFITS

- Learners will be part of a growing community of dreamers and designers
- Learners will be able to deepen their value proposition understanding and enhance their business model strategy
- Learners will be able to strongly align their brand and business strategy with their financial strategy
- Learners will be able to map business milestones that will drive their valuation to its desired level
- Learners will understand the building blocks of growing a human-centric organization

WHO SHOULD ATTEND

The program is a must for founders, leaders, managers, and entrepreneurs from various industries. The program is recommended for those who want to disrupt and scale their businesses, and for the aspiring start-up founders who want to make a difference. For sustainable learning and transfer of knowledge, as well as maximum impact, at least two (2) representatives per startup are recommended to join the program.
